

The Henderson County Democratic Party is looking to organize these precincts. You must live in these communities to serve:

Armory (Chair) Clear Creek (Chair, Secty) Etowah Valley (Vice Chair, Secty) Northeast (Chair, Vice Chair) Northwest (Chair, Vice Chair, Secty) Pisgah View (Vice Chair) Rugby (Chair) South Mills River (Chair)

Each one of these precinct communities needs up-to-date information about events, elections, candidates, and about what's happening in our county, state, and nation that will affect how we live, work, and enjoy life.

Organization of a precinct requires a group of five (three officers--Chair, Vice Chair, and Secretary). The Chair or Vice Chair attend one monthly meeting for information, develop a phone tree or email list for communication (you will get lots of help in doing this), and recruit volunteers to help with sharing Party information, voter registration, and the recruiting of poll workers.

Why you should do this: Meet folks that share like-minded ideas and principles, meet candidates, and make a difference in your community to inspire others to vote!

Please call our office at 828-692-6424 or visit our headquarters at 1216 6th Avenue West, Suite 600. We look forward to meeting you and working as a team to continue to work for fair and just legislation.
