

Outreach info for volunteers

<rev. 3/29/20 @ 3 pm>

We need precinct people to make calls to people on their precinct Master List.

First need is to find out if any of those people are having to shelter in place because of compromised immune systems or other health issues that make them particularly vulnerable to infection.

Then, offer the HCDP office phone number **828-692-6424** (between 9 am to 4 pm) to call if they need groceries or medicines picked up. **Make sure volunteers realize they can assist within their available times – and can state this to those they assist.**

The second calling purpose is to identify people who feel confident enough to serve as a pickup and delivery service. Another goal of calling your Master List is to identify people who might help you actually make calls. (If your list can be split among several people, that will ease the burden on any single individual.)

Then, once the client calls the HCDP office number, the office phone system will send calls to the office manager at home. This has already been set up, and Joanne Dufilho, the office manager, has agreed to do this. She will then determine the precinct of the caller, if needed, and call the precinct chair, who will then call a pickup and delivery volunteer in the precinct if available. <Kathleen Gould, Chair, HCDP>

~~~~~

*Please note... this information is a 'work in progress'. As experience is gathered, please share ideas and suggestions for how to make this better. <peri david, zvc, HCDP> OR CALL: North Carolina 2-1-1 services related to the epidemic + more*

Calling script:

Hi, I’m \_\_\_\_\_

I’m calling on behalf of the Henderson County Democratic Party. In these difficult times we want to ensure that you are able to access food, supplies and your necessary medicines.

If it’s challenging to get out to get groceries, supplies, and medicine, we’d like to pick them up for you and deliver them to your home. <Note – [share times you are available for this assistance.](#)> In checking, we’ve found that two stores — Harris Teeter and Walmart— are set up to handle online shopping with payment by credit card. <Note: [Grocery stores preparing orders may need close to a week lead time.](#)>

If you can volunteer to make pick ups and deliveries or make call to others, please call the number below. <Note: [volunteer needs to be directed to the correct WalMart, or grocery store.](#)>

You can call the HCDP (828-692-6424) between 9 am and 4 pm (your call will go to a volunteer) or leave a message if you need to purchase items such as food, medicines or other supplies.

Please feel free to share this number with friends and neighbors in Henderson County if we can assist them. You do not need to be a Democrat to ask for our help. Just leave a message and we will get back to you to discuss your specific needs.
