Come and join our lively discussions. They're educational, fun, and you can help make the world a better place. We discuss issues of political and non-political interest. We often have a guest speaker. You can help make the world a better place.

Recent issues discussed include future water resources, politics of our founding fathers, regional water take-over, flags of our nation and the history behind them, the effects of fossil fuel on the environment, charter schools, the Affordable Health Care Act—features and enrollment, the Voter ID Bill, local farm markets, Henderson County recycling and environmental programs, and candidates for public office.

The objectives of this organization are:

1. To further the development of the Democratic Party as a dynamic force in the community.
2. To encourage Senior Democrats to have an active interest in governmental affairs.
3. To foster and perpetuate the ideals and principles of the Democratic Party.
4. To help acquaint voters and potential voters with issues and candidates.
5. To promote the highest degree of justice, human welfare and happiness for the people of our county, state, and nation.
6. To increase and promote fellowship in political action among Senior Democrats and with others working for the success of the Democratic Party
